

INVITATION

The pleasure of
transgressing borders
through the poetics of
space and time

12 June 2025

Transdisciplinary (TD)
Dialogue Series

UNIVERSITEIT VAN PRETORIA
UNIVERSITY OF PRETORIA
YUNIBESITHI YA PRETORIA

Future Africa cordially invites you to a webinar with Professor Lesley Green, from the University of Cape Town (UCT), in discussion with Professor Maano Ramutsindela, UP-UCT Future Africa Research Chair in Sustainability Transformations.

Date: Thursday, 12 June 2025

Time: 11:00 to 12:00 pm SAST

Venue: Online on Zoom. Please register [HERE](#) to attend

Enquiries: Contact Dr Hester du Plessis at hester.duplessis@up.ac.za

RSVP by Wednesday, 11 June 2025

TOPIC:

There is often a dichotomy between the conventional ecological appearances we perceive to be reality and our imagination where we inhabit an inner world constructed through our senses. How will we reconcile this binary disparity with the challenging politics of sustainability?

Speakers

Prof Lesley Green is a Professor of Earth Politics at the University of Cape Town (UCT) and leads the Critical Zones Africa project. She specialises in transdisciplinary curriculum development and justice-based environmental governance in Southern Africa. *Read more...*

Prof Maano Ramutsindela is the UP-UCT Future Africa Research Chair in Sustainability Transformations and a Professor of Human Geography at the University of Cape Town. His research explores socioecological relations and the political ecology of peace parks. *Read more...*
